You know, I'd just like to see everybody miss their orders for the next exciting episode of this confounded mess. naturally, I am sure that either Dan Alderson or Bob Ward will get in orders for England, and that I'll hear from Dygert, Bailey, and Brannan. I should hear from them by the next deadline, though...

Where People all went...sigh...

Dan Alderson 6720 Bay St. Tujunga, Ca.

Bob Ward, c/o Conrad von Metzke, 5327 Hilltop Drive, San Diego, Ca.

I expect that Conrad is the only person in Postal Diplomacy who has any idea at all of Bob's address. Hopefully, he'll forward any letters...
